📍 Chhendipada, Angul, Odisha, India

Career Objective

Dedicated and detail-oriented Electrical Engineering diploma holder seeking an opportunity to apply my technical skills, practical knowledge, and problem-solving abilities in an organization that values innovation and continuous improvement.

Educational Qualifications

Qualification	Board/University	Institution	Year	Percentage/Grade
Diploma in Electrical Engineering	SCTEVT, Odisha	Purna Chandra Institute of Engineering & Technology, Chhendipada	2024	3144/4500 (69.87%) – First Division
High School Certificate (10th)	BSE, Odisha	Bagdia High School, Bagdia	2019	260/600 – Grade D

Technical Skills

- Electrical Machine Maintenance & Repair
- Installation of Electrical Systems & Wiring
- Control Systems & Switchgear
- Digital Electronics & Microprocessor Handling
- Engineering Drawing & MATLAB Basics
- Safety & Protective Devices
- Workshop Practices (Electrical & Mechanical)

Projects & Practical Work

- Electrical Installation & Estimation** – Designed and executed wiring layouts for various setups.
- Microprocessor-based Control Systems** – Developed basic control systems using microcontrollers.
- MATLAB Simulation** – Worked on simulation models for electrical machines and power systems.

Core Competencies

- Strong problem-solving and analytical skills
- Ability to read and interpret technical diagrams
- Knowledge of renewable energy fundamentals

- Effective communication and teamwork abilities
 - Adaptability to field and lab environments
-

Personal Details

- Father's Name: Biju Behera
 - Mother's Name: Panchali Behera
 - Date of Birth: 14 November 2002
 - Gender: Male
 - Nationality: Indian
 - Languages Known: Odia, Hindi, English
-

Declaration

I hereby declare that the above information is true to the best of my knowledge and belief.

Date: 14/08/2025

Place: Chhendipada, Odisha
